The amendment filed on FEBRUARY 3, 1992,

Under the provisions of Rule 312 (37 CFR 1.312), apparently did not reach the file wrapper before the patent issued. Timely filed amendments under Rule 312 (37 CFR 1.312) are normally considered by the Examining Group (see MPEP 714.16). Since the amendment in this case was timely filed, and no consideration was accorded to its entry, a request for a Certificate of Correction under Rule 322 (37 CFR 1.322) might be appropriate. (see MPEP 1402 et. seq.)

Very truly yours
